

# Texas Brotherhood Ride

## Announcement:

Team Members for 2019 Ride

Date of Event:

August 17<sup>th</sup> – 24<sup>th</sup>

The Texas Brotherhood Ride consists of Firefighters, Police Officers and EMS personnel who ride *bicycles* to honor emergency responders who died in the line of duty. Our mission is to provide emotional and financial support to their families and co-workers.

This year we will be honoring 14 who paid the ultimate sacrifice. We will begin our journey in Hempstead, Texas and ride to Austin, Texas, traveling through the Dallas/Ft. Worth metroplex. Riding 8 days and over 650 miles, averaging 80-100 miles each day, we will be honoring:

**Loren Y. Vasquez - Waller County Sherriff Office**  
**Raymond Bradley Jimmerson - Nacogdoches County Sherriff Office**  
**M.V. Hudson - New London Volunteer Fire Department**  
**Earl James "Jamie" Givens, III - Dallas Police Department**  
**Rogelio Santander, Jr. - Dallas Police Department**  
**Paul Scott Ragsdale - US Department of Justice - ATF**  
**David Charles Sherrard - Richardson Police Department**  
**Garrett Willis Hull - Fort Worth Police Department**  
**Andy Loller - Weatherford Fire Department**  
**Caleb Scott - North Richland Hills Fire Department**  
**Damon Charles Allen - Texas Department of Public Safety**  
**K9 Pastor - Waco Police Department**  
**Charles Whites - Round Rock Police Department**  
**Devon Coney - Austin Fire Department**

Our riders must all be first responders and are required to have either a road or tri bike. Just like in our profession, we continue the teamwork aspect during the ride – riding together, eating together and bunking together. Our support personnel are divided into full time members and part time members. With the lead of the Support Coordinator, support members keep the event rolling. Support members are the backbone of our organization.

The Texas Brotherhood Ride is a non-profit 501(c)(3) public charity organization. Other than the cost of conducting the rides, all donated proceeds go directly to the beneficiaries designated. No one is compensated for their time and all our team members sacrifice their own time with their family and work to participate in this event.

If you are interested in joining our team, we have limited availability openings for riders and support. To receive an application, please indicate whether you'll be applying as a rider or support member and send your contact information to:
