

# Texas Brotherhood Ride

Announcement: Team Members for 2021 Ride

Date of Event: September 4<sup>th</sup> – 17<sup>th</sup>

The Texas Brotherhood Ride consists of Firefighters, Police Officers and EMS personnel from across the nation who ride *bicycles* to honor emergency responders who died in the line of duty. Our mission is to provide support to their families and co-workers and bring awareness of the large family of First Responders across the nation.

This year's event will be unlike any in the past - we will be honoring all First Responders who paid the ultimate sacrifice in Texas last year. We will begin our journey in Houston Texas and ride to the Fallen Fire Fighter Memorial in Colorado Springs. Traveling over 1000 miles, averaging 80-100 miles each day, we intend to bring awareness to and encourage continued support for all First Responders.

#### 2020 Texas Line of Duty Deaths:

**29 Firefighters**  
**82 Law Enforcement members**

#### Causes of Texas Line of Duty Deaths:

**71 Covid exposures**  
**22 Medical events**  
**9 Gunfire**  
**6 Accident responding**  
**3 Struck by a vehicle on scene**

Our riders must all be first responders and are required to have either a road or tri bike. Riders must commit to the entire ride due to the importance of the group growing into a team. Just like in our profession, we continue the teamwork aspect during the ride – riding together, eating together and bunking together. Our support personnel are divided into full time members and part time members. With the lead of the Support Coordinator, support members keep the event rolling. Support members are the backbone of our organization.

The Texas Brotherhood Ride is a non-profit 501(c)(3) public charity organization. Other than the cost of conducting the rides, all donated proceeds go directly to the beneficiaries designated. No one is compensated for their time and all our team members sacrifice their own time with their family and work to participate in this event. Due to this year's ride being dedicated to so many, all proceeds will be donated to select charities in the name of those who paid the Ultimate Sacrifice.

If you are interested in joining our team, we have limited availability openings for riders and support. To receive an application, please indicate whether you will be applying as a rider or support member and send your contact information to:
